
Summary Report
Ellisville Citizen Poll – Final Report 3/29/13

March 2013

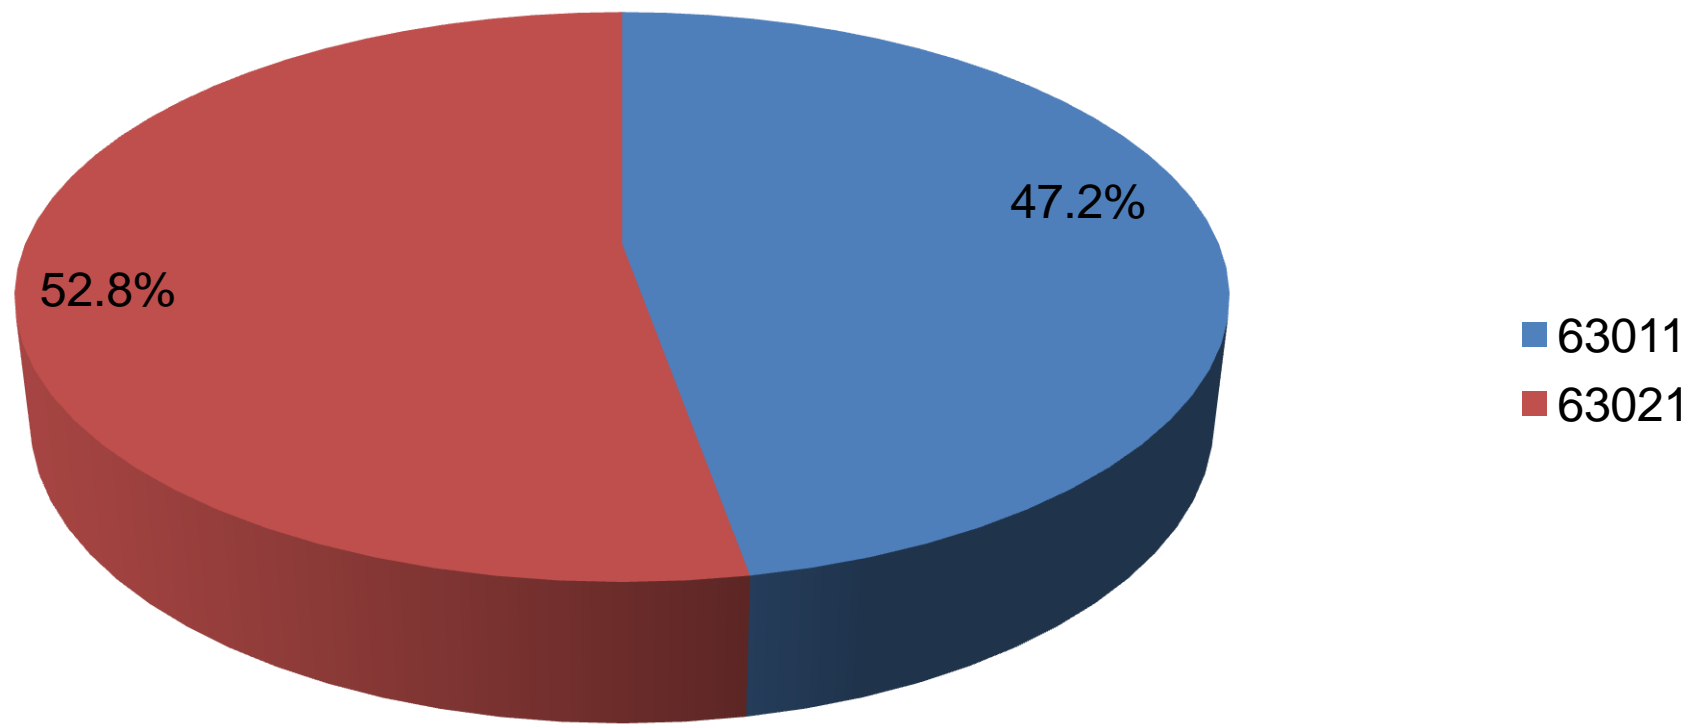

Background

To determine resident perceptions and attitudes towards current key issues in Ellisville, Missouri, a group of concerned citizens developed an online survey which polled citizens about those key issues.

Key points about this survey:

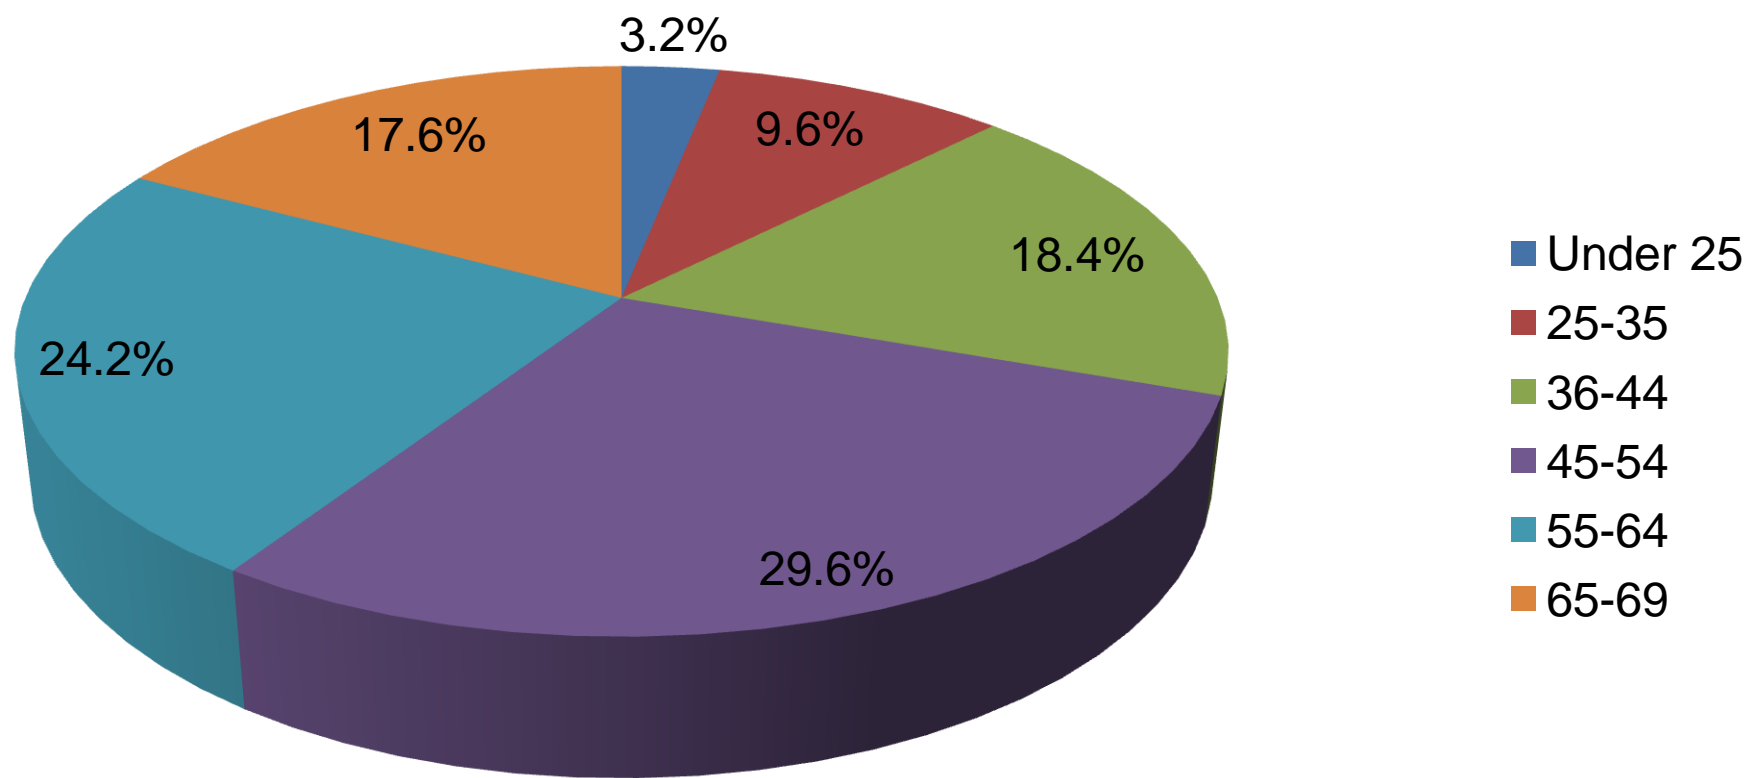

- Developed and administered by an independent research firm
- Participation was promoted through the media – specifically the West County News and Ballwin-Ellisville Patch
- A total of 215 residents participated in the survey
- Duplicated IP Addresses were removed from the survey findings to eliminate multiple survey taking by individuals
- Participation was totally volunteer with no quotas established. Participants from both sides of the issues had equal opportunity to participate in the survey.
- Survey was available to residents between March 11, 2013 and March 28, 2013.
